

## **Studio K Dance Center** **Re-Opening Safety Plan**

### **Before Class**

- Instructor to set up in the room prior to class beginning.
- Instructor to retrieve the class from outside the dance room.
- Parents will be advised that they should have performed a passive health check at home for any signs of illness in their student.
- Participants must have no COVID-19 symptoms or any other sickness, and must not have been exposed to anyone with COVID-19 within the last 14 days.
- Parents/guardians and students must maintain social distancing within all common areas and follow any posted signage or floor spots to maintain social distance.
- Students must wash hands and use hand sanitizer prior to class beginning.
- Students/parents/guardians should arrive at class with face masks prior to entry.
- Students will line up for touch less temperature check. Students who have a temperature above 100 will be asked to go to the end of the line for a re-check. If the student's second temperature check yields a result above 100 the student will be asked to refrain from participating.
- Students should only have with them a water bottle clearly marked with their name. No large backpacks, food, snacks, toys, etc will be permitted into the studio.

### **During Class**

- Students and instructors are required to wear a cloth face mask during class. Clear face shields (in addition to a cloth face mask) are optional.
- Outdoor classes may have a more flexible face mask requirement.
- Students maintain proper social distance at 6ft apart during class.
- Students may not hold hands or perform partner work.
- No hands on cueing may be given.
- Acro skills requiring spotting are not to be given.
- No props or shared equipment may be utilized.
- Doors are to be open during class for proper ventilation.
- A/C and fan will be running during class for circulation.

## **After Class**

- Students keep masks on to exit dance space.
- Spray disinfectant mist into air and lightly onto floor if floor work was done in class.
- Instructor to wipe down stereo buttons gently if they are leaving that room.
- Clean off door handles after class exits.
- Keep doors open for ventilation.
- Make sure Air Conditioning/Fan continues to run.
- Hand Sanitizer given to students upon exiting.
- If students are exposed to CoVid through this class, the class will not resume until after proper deep cleaning procedures are done and contact tracing and notifications are completed.
